

SANE Work Report

Cornel Butuceanu, U. Regina, CA

Hall C Meeting, 18 August 2008

- **Sane Collaboration Meeting – last Friday 15th, 23 people attended (17-locally, 5-remotely).**
- **The report can be found on the SANE Wiki page.**
[http://hallcweb.jlab.org/experiments/sane/wiki/index.php/Collabortion_Meetings]
- **There is a new sign up web page maintained by Mahbub. Shifts are assigned by institution. At the moment foreign institutions have priority to swap their shift assignments.**
[http://clasweb.jlab.org/cgi-bin/clas_shifts/SANE/SWAP/shift.pl]
- **In the vacuum lab the work on the upstream beam line girder is progressing well.**
- **The girder will be ready for installation into the Hall and instrumentation surveying by Wednesday/Thursday.**
- **The summary of SANE work schedule is found here:**
