

Just a bunch of pictures of the
change of wall at ESB

**Patch panels arrived.
They will be attached as seem here due to the
lack of space between panels**

Sara

Florian

New wall ready to be worked

Plan for next weeks (estimated time 2 weeks max.)

- Remove old optic fiber (Florian)
- New fiber, RTV and tape (Florian, with Sara/Aruni/Carlos support to verify fiber placement)
- Light leaks and PMT bases repair (Aruni/Sara/Carlos)

- Next wall
